## From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/> It is to be noted the messages are not designed to lead souls to Mary, or replace Jesus with Mary, but it is always our loving Mother Mary leading souls to Jesus, to the Church, to the Sacraments through sincere prayer.

**MESSAGE #2173 from Jesus June 28, 2001**

My child,

Love as I love; with mercy, forgiveness and compassion.

You must each be an example so that love and peace flow from your hearts. As you allow Me to come into your heart, I then am able to take you into Mine. Love and accept My love so that fear and worry will be removed. Love, love with your heart, for then there will be no room for hatred.

Love My Mother as I do and she will lead you closer to My Most Sacred Heart. She will intercede for you if you live the love that I give to each of you. Much joy you will give to My Mother if you love and live the Beatitudes.

Today, I give you My strength to persevere. Trust and believe I am with you. Trust in my love for you. Trust and allow Me to be your heart so that My love and mercy flow through you. Embrace Me and I will give you the strength to love. Embrace My Mother, for she is love and she is here to be with you.

My peace I now give you. Live in peace and love one another.

## **MESSAGE #2255 from the Blessed Mother December 19, 2001**

My daughter, God is asking that all His children go forth and make the Gospel known. So today I ask that you go forth in love, and allow this joy of knowing Jesus, to shine forth from your hearts. I ask that you forgive those who have hurt you in any way. A heart full of love, and compassion, is how others will see Christ in you. Are you willing, dear children, to forgive and love, love your enemies? Are you willing to turn the other cheek, instead of seeking revenge? Through your willingness and actions, more will come to know our dear Lord, Jesus.

It is time now to perform works of mercy and love. The way to do this is to keep focused on Jesus and His ways of love. Imitate Christ in all that you say and do. Be merciful and loving and strive to be more like Jesus. Be loving and pray for all your brothers and sisters. So many today need prayers because they do not know how to love. Many today want to receive love, but they do not know how to love in return. Until one truly comes to know Jesus, one will not know how to love, or be loved.

By your example, dear children, you can help others come to know Jesus. Allow the Blessed Trinity to direct and guide you. Allow God's love and mercy to reign in your hearts. This love will then flow unto others, and many, many will then have a change of heart.

Now let us pray that more will be loyal to Jesus. Let us pray that more will serve Him unselfishly, with a kind and generous heart. Let us pray that this love of knowing Jesus will be spread throughout this world. Now please go forth in love and humility, and be loving and forgiving to those around you. You can make a difference in this world, so please respond now and apply all that I teach you in your lives. Amen.

## **MESSAGE #2399 from the Blessed Mother October 30, 2002**

My daughter, No matter what one's position they hold, they must be loving, kind and compassionate towards those around them. Without love in one's heart, conversion cannot happen. Without love in one's heart, the Gospel cannot be spread.

Today my children must ask themselves, is there love and peace in your heart? Does Jesus' love shine through you, or are you angry and controlling? Is the Holy Spirit working through you, or are you turning others away from our dear Lord, Jesus? Today I ask that all my children be more loving and kind toward their brothers and sisters. God's love must first shine through you in order to make a difference in this world. Please, dear children, allow your hearts to overflow with love and joy.

Do not judge or ridicule one another. Be more loving. Let others see Christ's love in you by being truthful and charitable. Your actions must imitate Christ. Your words and actions must be that of love. Please turn to Jesus each new day and ask, ask Him to guide you so that only love and peace flow from your hearts. Please turn to Jesus and trust and rely on His guidance. His love, mercy and strength will allow you to be victorious in all that you say and do.

Now, please put into practice all that I am teaching you. Be loving, loving children and keep your focus on Almighty God. Amen.

## **MESSAGE #2423 from the Blessed Mother December 27, 2002**

My daughter, Jesus truly loves each child and how He waits for each child to come to Him. If only my children knew the love Jesus has for each one of you. Please, dear children, love Jesus more than your desires. Love Jesus and please take time to truly come to know Him. Do not wait another day. Open your hearts and allow my Son to fill you with peace, love and joy.

In order to move forward, you must come to know Jesus. You must love, love Jesus with your whole heart and soul. You must return back to my Son through the Sacraments so you have the grace needed to stay strong. You must not try to walk alone. You must pray and include Jesus wherever you go. You must love Jesus and allow yourselves to be loved, loved by Him. You must allow Jesus to heal your wounds with His tender love.

Today, I plead with my children, for I am the Mother of God, the Mother of Your Savior. I am here now for each of you to lead you closer, closer to my Son. I cannot help you if you refuse to make time to pray. I cannot help you if you refuse to take time to come to know my Son, Jesus.

I truly want each of you to be happy, but you in turn must trust in God's love and guidance. You must place your confidence in Him alone. You must obey God and seek to do His Will. You must strive to live in peace, unity and harmony by truly loving one another. You must not allow any pride, hatred or jealousy to rule your lives. You must repent and stay close to Jesus' Most Sacred Heart. Only through God can true love, peace and joy exist.

Please do not avoid God's mercy and love, respond now and give yourselves entirely to Him. Respond now and use each new day to truly, truly come to know Jesus. So please turn to Him lovingly and allow my Son to guide you on this earth. Allow my Son to teach you so you do not give in to the world's ways. Believe and trust, for God will never mislead you. God will dwell in you if you truly, truly open your hearts.

Now, please do not delay, come to know my Son in a personal way. Come to know my Son, for He truly, truly loves each one of you. Go now in peace and accept God's love, mercy and grace. Amen.

**MESSAGE #2434 from the Blessed Mother January 22, 2003**

My daughter, If hearts do not open to God's love, many more souls will be destroyed. Without love in one's heart, hatred will exist. Without love in one's heart, peace cannot reign in this world.

Dear children, evil cannot exist wherever there is love. It is time now to truly love, love one another. Through genuine acts of love and mercy, darkness can be removed all around this world. So, today I ask that my children reach out and love, love one another. I ask that you do not judge or criticize each other, instead pray for those who have hurt you.

If you truly love Jesus, then you must imitate Him. You must make peace wherever there is disunity. You must teach others through your actions and truly live, live the Gospel. True peace, unity and freedom will then be present in this world. Without a response from my children, love and joy cannot be spread. So please respond to God's call, for He is asking each of you to truly love, love one another.

Through prayer and faith in God, you can make a difference in this world. Be willing children and do your part, for this is how you will truly heal Jesus' wounds. Be loving, forgiving children and be an example to this darkened world. I am truly here to remind you that unity comes through prayer and merciful love towards all your brothers and sisters; it comes through obedience to Almighty God. Prayer, love and mercy is the way to unity and peace.

Go forth now and pray for those who are choosing death instead of life. Pray each new day, for each soul is so precious to Almighty God. Amen.

### **MESSAGE #2461 from the Blessed Mother April 1, 2003**

My daughter, Peace cannot exist if there is division in your homes, Church and community. God is asking each of you to pray and join hands and to support, support one another. God is asking each of you to be more loving and forgiving. Will you please listen to God and love, love one another? How I weep when I see so much turmoil all around this world; so much fighting and hatred in so many hearts.

My children need to take a look at their actions in order for change to occur. Today, I ask that my children spend quiet time before our Lord. I ask that my children examine their conscience and then make a thorough Confession, God will then guide you and fill you with His Grace. God will truly help you in those areas where you are weak. Yes, God will assist you if you are willing to take the first step. Please do not distance yourselves from God. Turn to Him for guidance so that true love can flow, flow from your hearts. Turn to God and you will come to know the true meaning of love. War amongst my children is caused by lack of genuine love. Please understand that in order for there to be peace, you must each be filled with God's love. In order for there to be peace, your actions must reflect the love of God.

So please, please, please obey God. Join hands and work together and love all your brothers and sisters. Increase your time to be with Jesus so your hearts are filled with love. ## **MESSAGE #2860 from the Blessed Mother February 16, 2006**

My daughter, Believe, adore, and trust in God's love for you. Do all that I am asking of you so you persevere no matter how dark this world becomes.

Today, I am asking that my children love Jesus with their whole heart. This love of knowing Jesus will then shine, shine through you. Without love, love in your hearts, nothing can be accomplished on this earth. I say to my children, pride destroys love. Pride, gossip, anger and hatred will not become pure love. You each have a mission on this earth and that is to love, love one another. If you do penance for your sins, you will grow in holiness. If you kneel down often and adore Our Lord, you will come to know the true meaning of love. Make reparation everyday for those who continue to crucify my Son.

Now, please reflect on what I am teaching you so you truly blossom for Our Lord. Pray, pray often and you will feel the renewal of my Son's love in your soul. Amen
